

Electrical and Electronics Engineer

Sri Chaitanya Revalla

Vizianagaram, Andhra Pradesh, India

+91 7569665506

SUMMARY

Solutions-oriented and technical-minded professional Electrical Engineer with a strong foundation in electrical systems design and troubleshooting.

EXPERIENCE

Industrial Training

June, 2023 - November, 2023

Central Institute of Tool Designing -MSME, Auto Nagar, Vijayawada, Andhra Pradesh

- Enhanced problem-solving skills through practical project involvement.
- Gained hands-on experience in real-world industrial applications.

EDUCATION

Bachelor of Technology in Electrical and Electronics Engineering

June, 2024 - Present

Andhra Loyola Institute of Engineering and Technology, Vijayawada

- Currently pursuing B.Tech in Electrical & Electronics Engineering with dedication and consistency.

Diploma in Electrical and Electronics Engineering

October, 2021 - May, 2024

Government Polytechnic College, Vijayawada

- Graduated with a Diploma in Electrical and Electronics Engineering with 90.4% marks.

Secondary School Certificate

June, 2020 - June, 2021

Saint Mary's English Medium High School, Vizianagaram

- Secured a remarkable 98.8% in Secondary School Education.

PROJECTS

- Propane Power Break**
Developed a Gas Detector Integrated with MCB.
- Voice App**
Developed a App which converts text to voice.
- AEM**
Developed a Advanced Energy Meter with Real Time Consumption.
- Spark**
Developed a Energy Monitoring App with Real time Database.
- Fire Fighter Monitoring Device**
Developed a Device which monitor the FireFighter Movements.
- Automatic Street Light**
Developed a Automatically switches ON/OFF street lights based on light conditions.

LANGUAGES

- English
- Telugu
- Hindi

SKILLS

- Problem Solving
 - Creativity
 - Management Skills
 - Circuit Analysis
 - Proteus Software
 - Soldering Circuit on GCB
 - PCB Designing using EasyEDA
 - Embedded System like Arduino,ESP8266 etc...,
 - IOT based App Development using MIT App Inventor
-

CERTIFICATIONS

Participation Certificate

- Certification of Participation in Quiz of Epistemicon 2k24.
- Certification of Participation in Project Expo of Epistemicon 2k25.
- Certification of Participation in Quiz of Epistemicon 2k25.
- Certification of Participation in A-Hacks 24 HOUR Hackathon.

Workshop Certificate

- Certification of Participation in M-botix Workshop.
- Certification of Participation in SRC e- Solutions Workshop.
- Certification of Participation in Drone Technologies Workshop.
- Certification of Participation in MYTEZEN Workshop.

Additional Certificate

- Certified in Internet of Things (IoT) by NPTEL.
 - Certificate in Fire & Safety.
-

ACHIEVEMENTS

- Goldmedal in Diploma Electrical and Electronics Engineering.
 - Won 1st Prize in Project Expo of Epistemicon 2K25 (Departmental Level).
 - Won 2st Prize in Quiz of Epistemicon 2k24 (Departmental Level).
 - Won 1st Prize in Project Expo of Innovathon 2K26 (Departmental Level).
 - NPTEL IoT Certification (Elite) – 80%
-

HOBBIES AND INTRESTS

- Scrolling Times of India.
- Exploring New Technologies.
- Watching Movies and Anime.
- Playing Volley Ball and Cricket.
